DIRECT HIRE PLACEMENT

- Integrated into your current hiring process
- Access to a pool of motivated candidates
- Interview coordination and assistance with new hire paperwork
- Continued support for the employer and new hire after placement

Over the past decade, we have created relationships with over 150 businesses throughout Los Angeles, Orange, Riverside and San Bernardino counties, including:

WHAT IS DIRECT HIRE?

Direct Hire connects clients to employers looking to hire employees on a permanent basis right away. We assist business partners by recruiting, screening, and vetting our clients for specific job opportunities at no cost.

The majority of Chrysalis hiring partners are working with us to find candidates for jobs in general labor or customer service, but with a pool of thousands of motivated job seekers, Chrysalis may have a great fit for many other unique business needs.

General Labor

Packing, assembly, quality control, storage, special events, janitorial housekeeping

Warehouse
