# ABOUT CHRYSALIS

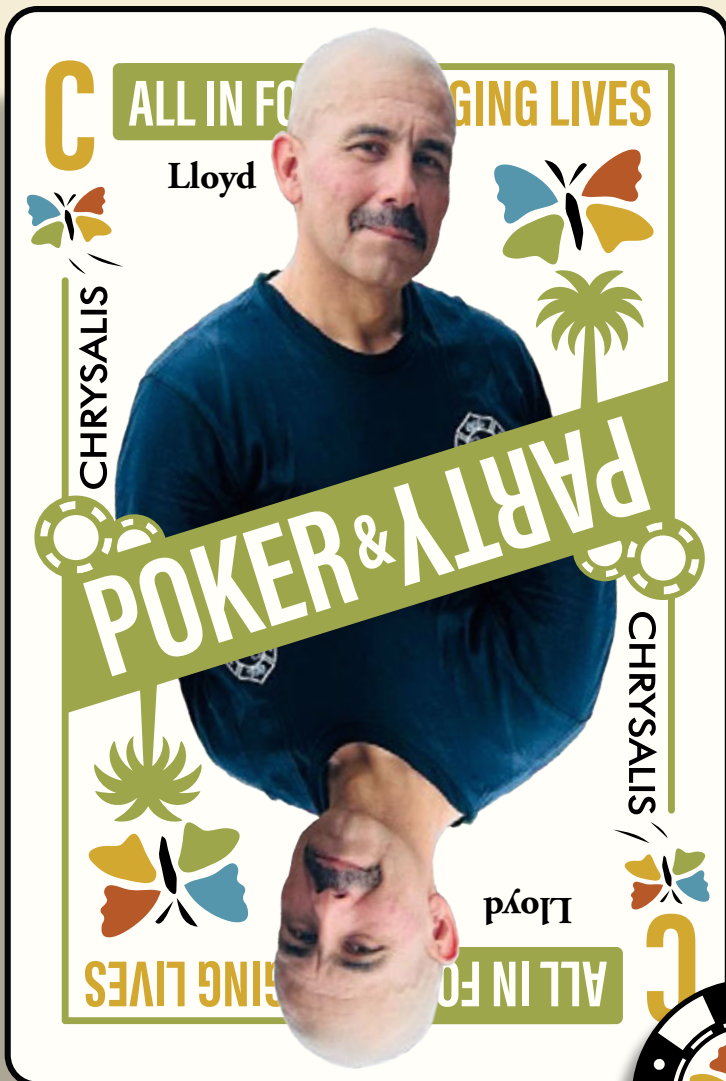

Chrysalis serves people navigating barriers to the workforce by offering a job-readiness program, individualized supportive services, and paid transitional employment. We empower our clients on their pathway to stability, security, and fulfillment in their work and lives.

*Chrysalis is a great resource for people who are looking to get on their feet. My employment specialist is amazing. — Kenya*

**Serving more than 6,000 each year in Los Angeles County, Orange County, and the Inland Empire.**

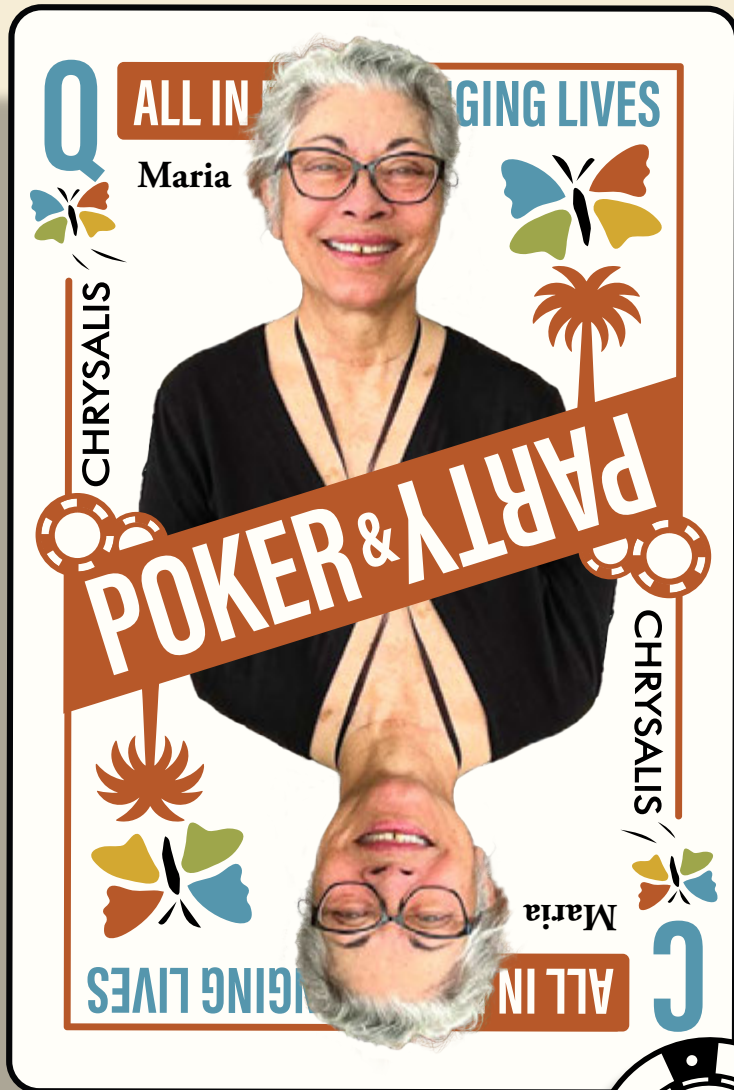

# TRANSITIONAL JOBS ARE TRANSFORMATIVE

Each week more than 600 Chrysalis clients are earning a paycheck and gaining skills through our employment social enterprise. A transitional job can be the stepping stone someone needs before finding success and stability. For some program participants it is also the opportunity they need to end cycles of recidivism or rebuild their lives while being part of a community that believes in their value.

**“ Chrysalis was the one that gave me my first job when I got out. ”**

# JOB PREP PROGRAMS DEVELOP CONFIDENCE & SKILLS

Unemployment is the most cited reason people report experiencing homelessness for the first time. Chrysalis is a place where people can rebuild from the devastation of losing income and the safety of home. One-on-one support from employment specialists help clients identify and make space to develop long-term career plans that open pathways to earning family-sustaining wages in job sectors of growth.

On any given day, Chrysalis is prepared to provide scholarship funds so clients can access the training they need to be competitive job candidates, as well as, hygiene items and professional clothing so they can be ready for their first interview. Through the 3,469 resumes composed and 3,230 practices interviews conducted with our program participants last year, we see the promise of a brighter tomorrow.

“ **Chrysalis has been a life changer for me. They gave me the support that I needed to find and keep a job.** ”
